New digital single by George Kontrafouris: “Bachahmad” A preview of the upcoming album “Bach in Blues”

George Kontrafouris’s new single, “Bachahmad” Out Now (2026.11.18). It is a preview of his upcoming album, “Bach in Blues”, which is due out soon! (2026.11.27)

The title “Bachahmad” – a combination of the names of **Johann Sebastian Bach** and the legendary jazz pianist and composer **Ahmad Jamal** – introduces us to the musical world of the new album, which will be released on vinyl, CD and digitally.

In this new quartet, formed specifically for the purposes of this particular project, the leading jazz pianist George Kontrafouris
For this special project, leading jazz pianist George Kontrafouris has assembled a new quartet featuring three outstanding musicians: **Dimitris Angelakis** on the vibraphone, **Olivier Gatto** on double bass and **Billy Pod** (Vasilis Podaras) on drums.
As well as George Kontrafouris’s new compositions, the album will also feature short pieces by J.S. Bach, performed and arranged by the quartet. The exception is the piece “Sinfonia No. 11 in G minor (BWV 797)”, which is presented as a solo piano piece.

In keeping with Puzzlemusik’s tradition, whereby its digital singles are often accompanied by a B-side – in the style and spirit of the ‘B-side’ on 7-inch vinyl releases – “Bachahmad” and “Sinfonia 11 in G minor (BWV 797)” are now made available on streaming services in digital single format.

These two recordings offer a first glimpse into the content and aesthetic of the forthcoming album "Bach in Blues". Further details, including the complete tracklist and recording information, will be announced shortly as the album's release on vinyl, CD and digital formats approaches.
