Trees

Digital single & video clip

2026.01.16

Friday, January 16, 2026: Composer and double bassist Dinos Manos collaborates with singer Amalia Pavlou on the jazz ballad "Trees" released in digital single & video clip by Puzzlemusik.

"Trees" is a composition that was first presented to the public in its instrumental version, as it was recorded and included in Ntinos Manos' album "Northwind" (digital & CD release of 2024 by Puzzlemusik), but it is a composition that its creator imagined as a song from the beginning.

While listening to Amalia Pavlou in concert in Corfu, Ntinos Manos immediately imagined her singing it, which he suggested to her, and she accepted, writing the beautiful lyrics for the song.

"Trees" is a composition dedicated by Ntinos Manos to Chick Corea, whose music has been a source of inspiration for the spirit, like oxygen from trees for the body, feeding our creativity.

The video clip for "Trees" appeared on YouTube about a month ago (at the end of 2025) and is now available on all major digital download and streaming platforms as of Friday, January 16, 2026.

The musicians playing on "Trees" are: Amalia Pavlou: vocals, Leandros Pasiyas: piano, Giorgos Klountzos-Chrysidis: drums, and Ntinos Manos himself on double bass.
